Lydia,

This email documents our 3/16/11 conversation during which you gave me your verbal approval to:

1. Use my purchase card, or not more than two convenience checks, to purchase copies of selected photographs of the southern impoundment area that EPA has instructed International Paper Company to take samples from (part of the RI/FS for the San Jacinto River Waste Pits site).
2. Original requested amount was not exceed \$500.00.

FYI, as of today I've purchased:

1. From Aerial Viewpoint Aerial Photography:  
One high resolution aerial photo, dated 10/8/64, of the southern impoundment area. Photo cost was \$140.00 and shipping cost was \$25.00 (total cost \$165.00).
2. From The Positive Image company:  
Five aerial photos, dated 01/??/1960, 03/??/1963, ??/??/1966, 02/??/1970, & 01/??/1973, of the southern impoundment area. Photo cost was \$247.50 and shipping cost was \$15.00 (total cost \$262.50).
